7. (Unclassified - RLB) LEGISLATION Spoke with Mr. Joe diGenova, on the staff of Senator Charles Mathias (R., Md.), regarding our concerns with the Civil Service Reform legislation which the Senate Governmental Affairs Committee partially marked up today. In response to my query, Mr. diGenova said Senator Mathias had been concerned that the manner in which the legislation impacted on intelligence agencies had not been as fully considered as the matter warranted and therefore had raised the matter at the mark up session that the Senate Select Committee on Intelligence should address the issue. Mr. diGenova said Senator Mathias had subsequently spoken with SSCI Staff Director Bill Miller, Mr. diGenova said they had no particular problems with our concerns and had no further questions for us at this time.

I also explained to her that although these were Agency statistics they were developed from information supplied from other U.S. departments. [redacted] CSS/NFA provided me the above information for Ms. Hoppe. STAT
